ELEMENTARY MUSIC EDUCATION PROGRAM

A. Personnel

Elementary music for the Hobbs Municipal Schools will be provided by one certified music teacher and five paraprofessionals.

B. Procedures

Music will be taught by the music teacher and aides every week to each classroom (Grades K-5). Elementary Music will be taught on a weekly basis.

C. Scheduling of the Elementary Music Teachers:

Building schedule is provided. Each building principal is to assign their teachers to these daily time slots. Please keep time management in mind.

1. Schedule using the geographical layout of the building. Do not have the music teacher going from one end of the building to the other.
2. Teachers are to have students ready for music before the music teacher arrives.

D. Utilization of the Music Teacher:

If there is any extra time, the music teacher may help the classroom teacher prepare students for parts in other programs, or extra practices for city-wide elementary music programs.

E. Home School Assignment:

Monday assignments are the designated home school for each employee.
